## MEMORANDUM FOR THE RECORD

25X1 FROM: [REDACTED]  
Policy and Plans Group

25X1 SUBJECT: Third Quarter Review [REDACTED]

1. The Third Quarter Review was well received by the Deputy Director for Administration who was particularly interested in the two new topics that were discussed. The Director of Security subsequently advised that in the Fourth Quarter Review he believed that a followup session by Clearance Division should be scheduled. He, in fact, has already spoken to Chief, Clearance Division, regarding this. Concerning the PTAS topic, [REDACTED] indicated that we should essentially drop that from the Fourth Quarter Review, except for a discussion of how OSSB intends to spend the [REDACTED] which is contained in the FY 83 budget for overseas security enhancement. I have already spoken to [REDACTED] regarding this, and he will be concentrating on developing such a plan in the next three months. [REDACTED]

2. We will also be wrapping up the objective relating to the [REDACTED] Unit and should decide early on if a visit to the [REDACTED] is appropriate, or merely have [REDACTED] give a run-down. [REDACTED]

3. Of the other objectives, I would envision that 4C, Office Automation and the two from ISSG should again be covered briefly, as we did in the third quarter. We might consider having [REDACTED] briefly cover Security Education's objective and give an update on the PARC program. [REDACTED]

4. I will be discussing with [REDACTED] of the DDA staff during this quarter the plans of the DDA for FY 83 reviews. We will have to decide which objectives will be appropriate in 1983. [REDACTED]
